IWOCA 2020

31st International Workshop
on Combinatorial Algorithms

8-10 June 2020
Bordeaux, France

- technical guidelines at <https://iwoca2020.labri.fr/practical-information/>
- same connection information throughout the conference
- in case of an interruption: try to rejoin the same server!
- if we need to switch server, we will send you an email
- all participants are **muted** by default
- we will keep only 3 or 4 cameras to reduce bandwidth usage
- organizing committee members: “IWOCA OC – Julia Smith”
- ask technical questions via chat message (or email: iwoca2020@labri.fr)

Breakout rooms

During breaks, we will invite you to try Zoom “breakout rooms” for e.g. 5 min.

Enables to meet and speak to random participants, like in a physical tea break!

If you wish to meet with specific people (e.g. the speakers of the last session):

→ Use our discord server

Practical infos

discord

IWOCA 2020

31st International Workshop
on Combinatorial Algorithms

8-10 June 2020
Bordeaux, France

- discord server: **<https://discord.gg/bpSDMZ9>**
- accessible via browser or Discord software
- no registration needed if joining through browser
(type your name and hit “escape” on keyboard if asked for registering)
- several text and voice channels
- to meet with somebody, go to the “orientation room” and decide on which channel to use
- you may create your own rooms

Practical infos

behave nicely

IWOCA 2020

31st International Workshop
on Combinatorial Algorithms

8-10 June 2020
Bordeaux, France

- please, be patient and forgiving: this format is new to almost everybody!
- no harassment, no hate speech!
- contact us immediately if you are the victim of inappropriate behavior

Thanks, and ENJOY online IWOCA 2020 !!!
