IWOCA 2020 – Bordeaux, France
Practical infos

- same connection information throughout the conference

- in case of an interruption: try to rejoin the same server!
- if we need to switch server, we will send you an email

- all participants are muted by default

- we will keep only 3 or 4 cameras to reduce bandwidth usage

- organizing committee members: “IWOCA OC – Julia Smith”

- ask technical questions via chat message (or email: iwoca2020@labri.fr)
Practical infos

**zoom (2)**

Questions

To ask a question after a talk, two possibilities:

A- type it in the chat

or

B- “raise hand” and accept invitation to unmute your microphone
Practical infos

**zoom (3)**

**Breakout rooms**

During breaks, we will invite you to try Zoom “breakout rooms” for e.g. 5 min.

Enables to meet and speak to random participants, like in a physical tea break!

If you wish to meet with specific people (e.g. the speakers of the last session):

→ Use our discord server
Practical infos

discord

- discord server: https://discord.gg/bpSDMZ9
- accessible via browser or Discord software
- no registration needed if joining through browser
  (type your name and hit “escape” on keyboard if asked for registering)

- several text and voice channels
- to meet with somebody, go to the “orientation room” and decide on which channel to use
- you may create your own rooms
behave nicely

- please, be patient and forgiving: this format is new to almost everybody!

- no harassment, no hate speech!

- contact us immediately if you are the victim of inappropriate behavior

Thanks, and ENJOY online IWOCA 2020 !!!
